

PLANTERSBANK FACT SHEET

THE SME BANK

The largest privately-owned and managed development bank in the Philippines with total assets of over Php 50 billion offering banking products, services and business solutions geared towards promoting Small and Medium Enterprises (SMEs).

The 19th largest bank in the country out of 38 commercial and universal banks and over 800 thrift and rural banks.

Ranked within the top 250 in the Philippines' Top 1,000 Corporations.

Consistent recipient of national and global awards for development finance, including the Presidential Citation for MSME Development in 2009

A nationwide network of 70 on-line branches.

Ambassador Jesus P. Tambunting, chairman and chief executive officer of Plantersbank, was named Entrepreneur of the Year 2009 by Ernst and Young.

INSTITUTIONAL PARTNERS

Partners and shareholders include the World Bank's International Finance Corporation, the Netherlands Development Finance Company (FMO) and the Asian Development Bank.

Strategic global alliances bring resources from the United States, Europe and Asia to equip the Filipino entrepreneur with a truly global perspective.

CORPORATE INITIATIVES

The Plantersbank SME Industrial Park in Cebu is the first industrial development of its kind in the country that is wholly dedicated to providing SME locators the investment incentives, tax benefits and facilities enjoyed by foreign-owned counterparts.

With institutional partner FMO, the PDB FMO Development Center was set-up to share experiences and expertise in SME lending with members of development financial institutions in the Asia Pacific region.

SME.com.ph, a joint venture with IFC, to provide I.T.-based business solutions for SMEs, and business to business networking site www.Bizster.com.ph.

Plantersbank is at the forefront of promoting Filipino SMEs and best practices through the SME Advocacy campaign. The campaign involves its TV advocacy series, the nationwide SME Speakers Series and the bi-monthly SME Community Philippines magazine.

TRIPLE BOTTOM LINE

Plantersbank defines its framework for a triple bottom line approach by combining profit, social returns, and environmental management and fair practices on equal and equivocal terms.
